Feedback from our Iftaar Feeding Campaigns

Alhamdulillah, this year's iftaar feeding campaign was a huge success. We would like to thank everyone who contributed.

Approximately 15000 meals have been distributed in Palestine, Syria, Yemen and various communities in South Africa including Kwa Thema (Springs), Kew, Tsutsumani, Rietvlei, Swaniville, Kagiso Ext 8 and Ext 12, Azaadville, Hospital Hills, Lenasia South, Vlaktefontein, Evaton, Primrose, Tembisa, Lenasia Ext 2 and Ext 13, Klipspruit, Mitchell's Plain, Mafusini and Skoppie Aleen (Dannhauser).

We will continue with iftaar meal distribution until the end of Ramadaan with our target of 40 000 meals on track to be fulfilled.

We also distributed 1 million liters water in Yemen.

We would also like to send a special thank you to our volunteers who assisted us in preparing and distributing approximately 4000 iftaar meals on a single weekend.

Assisting our brave firefighters in Cape Town and Johannesburg

During the past few days, two major fires wreaked havoc in Cape Town and Johannesburg.

A fire at the Charlotte Maxeke Hospital in Johannesburg caused massive damage and patients were evacuated to other surrounding hospitals and clinics.

In Cape Town, a huge blaze broke out on Table Mountain causing damage to many surrounding areas as well as the University of Cape Town. It took several days to contain and extinguish the fires.

AshrafuL Aid disaster relief teams were on point to provide meals for the firefighters as well as victims of the fires.
