## WINTER WARMTH FOR REFUGEES

In Yemen, Syria, Afghanistan and Palestine winter temperatures are below freezing. Refugees face ice cold winds and heavy snowfall. Most of them hardly have clothes and shelter to protect themselves.

Millions of children, women and men need blankets. Help them keep warm.

**ASSISTING THE COMMUNITY OF  
AZAADVILLE - SOUTH AFRICA**

Concerned with the rapid deterioration of some roads, Azaadville's ward 3 councillor Shabier Dabheliah approached Ashraful Aid for assistance. This was a very uncommon request but Moulana Ahmed Namutamba from Ashraful Aid's Azaadville branch saw the urgent need required and arranged for the streets to be repaired on Tajmahal, Badshani and near the shopping centre in Azaadville.

With the assistance of a private donor we are building two public toilets behind the post office. The initiative is aimed to allow for more toilets in the vicinity of the grant and pension collection points and to avoid for the elderly and the physically challenged waiting in long queues.

**Ashraful Aid is please to announce the opening of two new branches in Kwa-Zulu Natal and The Western Cape. These branches will be a base of operations to help streamline our assistance to areas within these provinces.**
