

# OVER 200000 PEOPLE ASSISTED BY ASHRAFUL AID IN 2021

SOME MILESTONES WHICH MADE IT POSSIBLE

## RESPONSE TO HUMANITARIAN NEEDS

During this year, we responded to emergency situations in 17 countries. Our aid which spans across the globe included assisting people impacted by various incidents which included the cyclone in Mozambique, urgent aid required in Palestine, aid arranged for refugees in Tigray, Ethiopia, Aid in Afghanistan, Cameroon, Syria, and George (South Africa), as well as being one of the first responders to supply aid in KZN (South Africa) following the riots.

## YOUR CONTRIBUTIONS TO US

In July, when shops were looted and main roads into KZN closed - with support from donors, stakeholders, business owners and communities, we arranged for urgent air transport with aid to the most vulnerable.

Over 5000 grocery hampers, 15,000 loaves of bread, 5000 litres of milk and at least 3.4 tons of baby food, formula and other baby essentials were handed out. With many still requiring assistance in KZN after stocks were replenished, we distributed additional 260 tons of food which included 7800 grocery hampers.

## YOUR ZAKAAT WITH US

With your Zakaat, Ashraful Aid was able to assist over 50 000 people in this year's nationwide Zakaah campaign rollout. Over 13 500 Grocery hampers filled with basic essentials were distributed to help sustain a family of 4 for at least a month in the following provinces.
