

FEEDBACK REPORT

Jordan

PROJECT OVERVIEW

Jordan is home to many refugees because of its proximity to Syria and Iraq, which have been affected by war and conflict. Additionally, the country has also taken in Palestinian refugees who have been displaced from their homes for decades. With such a large population of refugees, it is essential for organizations like Ashrafal Aid to provide aid and support to the community.

The Ashrafal Aid Jordan relief trip was a huge success. The team was able to provide winter warmth assistance to 1000 refugees in the form of blankets and heaters. This was an essential aid for the refugees living in the region, as the winter months can be extremely harsh and cold. One of the highlights of the trip was receiving an award from UNRWA (United Nations Relief and Works Agency) for our assistance in supporting Palestinian refugees. This recognition is a testament to our team's hard work and dedication in providing aid to those in need. In addition to providing winter warmth assistance, we also sponsored university bursaries for Palestinian students. This will allow them to further their education and improve their chances of finding employment in the future.

Furthermore, we have set up a new branch of Ashrafal Aid in Jordan. This will allow us to continue providing aid and support to the refugee community in the region.

Ashrafal Aid is honoured to receive a recognition gift from the United Nations Relief Works Agency (UNRWA) in Jordan for our support of Palestinian refugees. Alhamdulillah, it is a humbling experience to be acknowledged for the work we do in helping those in need.

As an organization, Ashrafal Aid has always been dedicated to providing aid and support to those who are most vulnerable. We understand the difficult situations that many of these individuals and families face, and we strive to make a positive impact in their lives.

The recognition gift from UNRWA is a testament to the hard work and dedication of our team, and we are incredibly grateful for the opportunity to make a difference. We believe that every individual deserves the chance to live a life of dignity and hope, and we will continue to work tirelessly to make that a reality for as many people as possible.

Thank you to UNRWA for this recognition, and to all of our supporters and donors who make our work possible. Together, we can make a lasting impact on the lives of refugees across the globe.
