2025 IMPACT REPORT

Transforming Lives Through Compassion & Trust

WITH HUMANITY FOR HUMANITY

Alhamdulillah - A Year of Impact

Assalamu Alaikum,

2025 has been a landmark year for Ashrafal Aid, marked by unprecedented reach, deepened impact, and strengthened trust with our global community of donors and partners.

From emergency relief in conflict zones to sustainable development projects that empower families for generations, our work remained rooted in the principles of amanah (trustworthiness), dignity, and sustainable impact.

2025 Key Highlights

- 120,000 total assistance in Gaza.
- Over 1 million meals distributed to families in crisis
- Operating in 40+ countries worldwide; 184,000 Zakat hampers distributed.
- Significant expansion in water security infrastructure

This report is a testament to your generosity and a roadmap of how collective compassion translates into tangible, life-changing outcomes.

OUR MISSION

To provide life-saving support and sustainable assistance to vulnerable individuals and communities worldwide. Through our programmes, we deliver access to essential services like food, water, education, healthcare, and livelihoods—while empowering people to build better futures for themselves and their families.

2025 BY THE NUMBERS

120,000

24-48 hours

EMERGENCY RESPONSE TIME

50,000

ASSISTED WITH MEDICAL CARE

Water & Sanitation

Life-Sustaining Water

Our Water & Sanitation programme focuses on providing sustainable access to clean, safe water through wells, boreholes, and emergency water relief.

In 2025, we expanded our "Sponsor a Well" programme, installing multiple wells in drought-prone regions of Sri Lanka, Zambia, Mozambique, and South Africa.

Impact Snapshot

- Reduced Disease: Clean water sources significantly cut waterborne illnesses.
- Education: Children spend less time fetching water and more time in school.
- Agriculture: Wells support small-scale farming and livestock.

"A single water well is Sadaqah Jariyah—continuous charity that flows long after we're gone. Every drop brings life, dignity, and hope."

Food Security

Feeding the Hungry, Restoring Dignity.

From hot meals at community iftaars during Ramadan to winter relief hampers and emergency flood relief—our food programmes sustained families through their darkest hours.

2025 Reach:

- Over 1 million meals distributed globally.
- Targeted relief in Palestine, Syria, and Yemen.

Orphans & Education

Empowering the Next Generation.

Education is the most powerful tool to break the cycle of poverty. In 2025, Ashraful Aid prioritized educational support through:

Emergency Relief: When Crisis Strikes

Ashrafal Aid mobilizes emergency food parcels, blankets, and clean water within 24-48 hours following disasters.

2025 Major Interventions

- Pakistan Flood Relief: Mobilized emergency supplies for displaced families.
- Sri Lanka Floods (Nov 2025): Distributed over 400 hot meal packs

"In the aftermath of a disaster, we don't just deliver we deliver aid—we deliver hope and dignity."

JazakAllah Khair

Your trust and generosity have transformed
1,529 communities. Every rand, every dollar,
every prayer has made a difference.

Continue Your Impact in 2026
